

Planning to Change the World

A Plan Book for Social Justice Teachers 2011-2012

Planning to Change the World is a plan book for teachers who believe their students can change the world. It is designed to help teachers translate their vision of a just education into concrete classroom activities. This unique resource features:

- Weekly planning pages packed with important social justice birthdays and anniversaries.
- References to online lesson plans and resources related to those dates.
- Inspirational quotes to share with students.
- Tips from social justice teachers across the country.

... and much more.

“An imaginative and innovative idea in the field of education. It is something that teachers all over the country who have social consciences will find useful because it will give them an opportunity and a framework for putting into practice what they believe. I hope it will be widely adopted.”

Howard Zinn, author of *A People's History of the United States*
